

IV International Summer School on Cyclodextrins *Milan 2019*

POLITECNICO
MILANO 1863

IV International
Summer School
on Cyclodextrins

Milano- ITALY
June 10th-12th 2019

Chairs of the School

Francesco Trotta

Universita' di Torino

Andrea Mele

Politecnico di Milano

'Going on Cyclodextrin Complexes and Applications'

NEW!

POSTER SESSION

CD
Absorption solid-state
Release NMR
molecular-dynamics
Chiral-discrimination
CDpolymers
functionalCD soft-matter

*Graduate students, Ph.D students and
researchers interested in all aspects of
cyclodextrin chemistry are welcome!*

Associazione Italiana Chimica e Tecnologia delle Ciclodestrine

CMIC

Department of Chemistry, Materials
and Chemical Engineering "Giulio Natta"

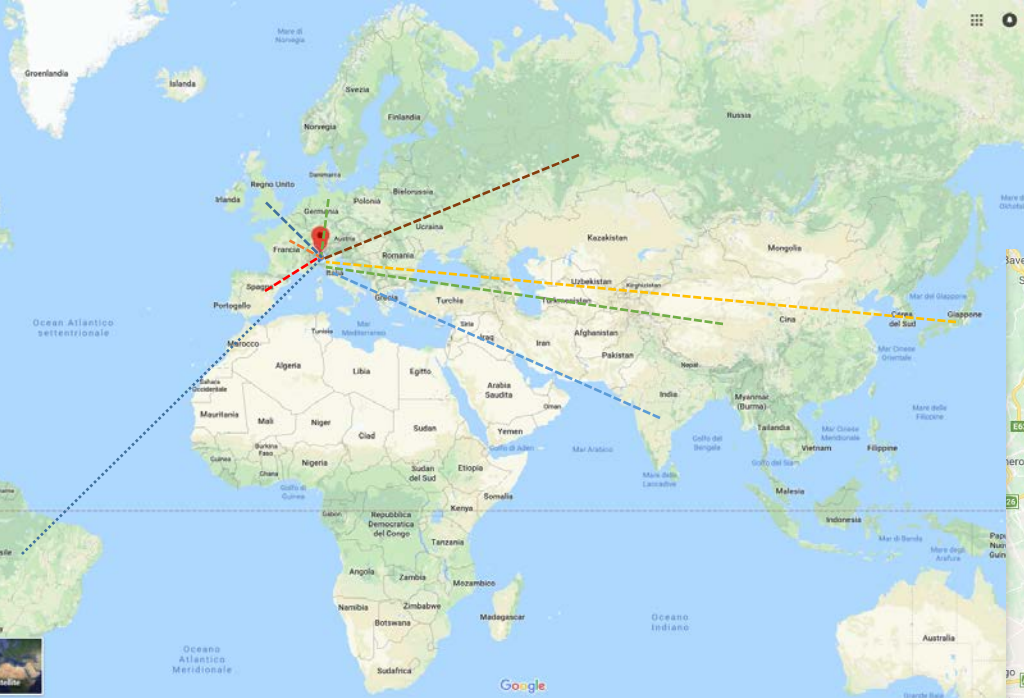

*1963 Nobel
Laureate in
Chemistry*

June 10th-12th 2019
**IV International
Summer School
on Cyclodextrins**

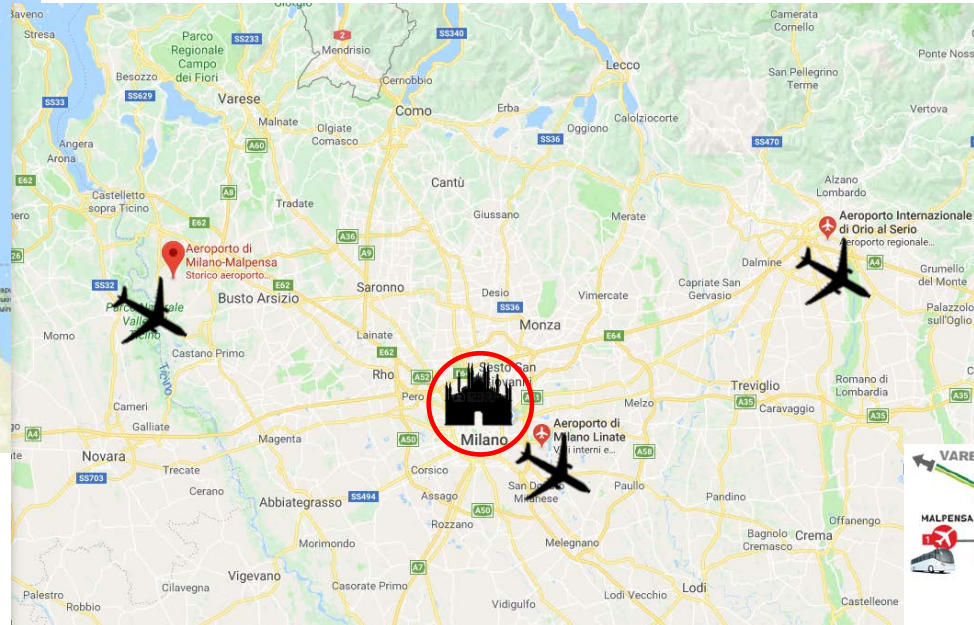

Associazione Italiana Chimica e Tecnologia delle Ciclodestrine

CONNECTIONS

3 international airports

High velocity trains from Rome, Naples, Florence, Bologna, Turin and Venice

Subway in town

Highways from Spain, France, Switzerland, Austria, Germany

SEE YOU IN MILAN!
